Dear Ms. Bruce,

Environmental Monitoring Advisory Board – Diavik Project

Please accept this as my resignation as the Canada representative on the Environmental Monitoring Advisory Board effective Dec. 1, 2013.

I appreciated the opportunity to serve on this board since its inception. Until a replacement can be named, I leave the position in good hands with alternate member Julian Kanigan

I would like to acknowledge the support I received from all the members and wish them, and the Board, success in their future endeavors.

Sincerely,

Floyd Adlem
