

Environmental Specialist – Term Position to March 31, 2027

For the Environmental Monitoring Advisory Board, a public watchdog for environmental protection for the Diavik Diamonds Project

Reporting to the Executive Director, the main responsibilities of this position are:

- Provide technical support, review and interpretation of environmental reports;
- Assist in responding to environmental management plans and regulatory instruments;
- Prepare communications to support the needs of EMAB; and
- Provide information management services and administrative support.

Knowledge, Skills and Abilities:

- Post-secondary degree in environmental sciences or similar field;
- Ability to read and interpret environmental reports;
- Ability to communicate effectively in written and oral form in technical and plain language;
- Knowledge of the North, Aboriginal and environmental issues; and
- Experience working with Boards and Aboriginal communities.

Competitive salary and benefits. Position is located in Yellowknife, NT.

EMAB wishes to fill this position with a qualified candidate as soon as possible. Submit resume and cover letter by February 27, 2026 to the confidential email address below. Refer to EMAB website for further information, including a detailed job description.
